Recommendation of Award: RFP05-017-WR, “Solar for Schools”

## **City of Albuquerque**

**Martin J. Chávez, Mayor**

The City of Albuquerque Department of Finance and Administrative Services, Purchasing Division, issued the subject Request for Proposals (RFP) for the City of Albuquerque Municipal Development Department, Energy Services Division, to solicit Proposals from qualified companies to provide solar energy for five City owned swimming pools, including those pools located in Albuquerque Public Schools.

The RFP was posted on the Purchasing Website and advertised in the local newspapers. Six RFPs were mailed to interested vendors, and one response was received for evaluation.

The ad hoc evaluation committee reviewed, evaluated, and scored the responses in accordance with the evaluation criteria published in the RFP. The committee recommends award of the contract to Arizona Public Service, the only respondent to the RFP. Listed below is the respondents score.

**Arizona Public Service**

**3270**

**Average Score: 687**

**Estimated Cost:** \$649,742 to be paid on a cost reimbursement basis on a 10-year cash-flow of energy savings. Actual payment schedule to be negotiated based on actual savings per swimming pool.

I concur with the ad hoc committee's recommendation.

Based on the foregoing, City Council approval is requested. Staff will be available to respond to questions at the appropriate meetings.
